You want to study in Austria but do not meet the entry requirements?

Don't worry!
We offer an
alternative
route
for you:

International
Foundation
Programme

Your
Pathway
to Studies
in Upper
Austria

Why IFP?

The International Foundation Programme offers you a focused and tailored preparation for your application to study at the University of Applied Sciences Upper Austria.

Your Benefits

- Improve language proficiency
Advance your language skills to communicate during your studies and in daily life.
- Bridge the gap between school and university
- Time to adjust
IFP also gives you space and time to familiarise with student life, settle with life abroad and make new friends.

Essential Information

- **Mode of Study:**
Full-time
- **Duration of Studies:**
Mid-September until end of July
- **Language of Instruction:**
English
- **Location:**
Wels Campus
- **Costs:**
Programme fee: EUR 3,888.-
- **Please note:**
accommodation, travel and living cost to/in Austria are not included in the programme fee.

Who can enrol?

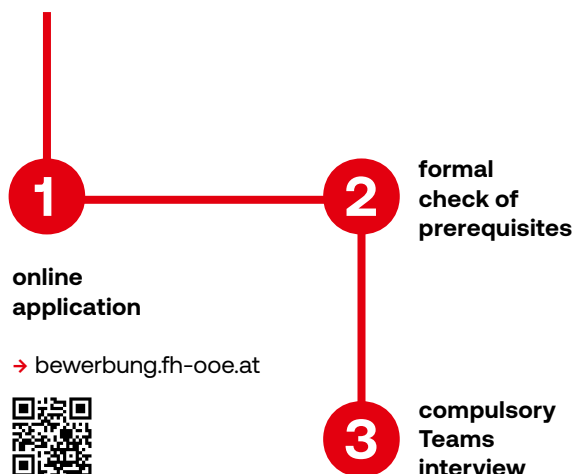

The International Foundation Programme is perfect for students who ...

- ... are looking for a preparation programme taught in English
- ... miss sufficient credits in Mathematics, Physics and English to be enrolled in a study programme
- ... wish to fresh up Mathematics, Physics, Chemistry, Biology, Informatics and Business English prior to entering a study programme
- ... do not meet entry requirements for studying in Austria
- ... wish to brush up their language skills and technical terminology
- ... want to learn or improve German

How to join

If you would like to participate in the International Foundation Programme, please apply online.

Application procedure

Admission Requirements

- A-Level / High School Diploma or equivalent (If the Austrian Higher Education Entrance Qualification is not yet met, the required level can be acquired within the International Foundation Programme. In general, A-level is required, but in some cases excellent performance in AS-level and GCSE-level courses might qualify as well)
- Good English language skills (at least B2)

In IFP, you get what you expect from the programme. It is an incredible programme from which you can learn the fundamental subjects to continue your study journey in Austria.
