LIFELONG  
LEARNING

## CURRICULUM VITAE

**Tommi Pantzar**, Licentiate of Sport Sciences, works as senior lecturer at South-Eastern Finland University of Applied Sciences (Xamk) in Mikkeli, Finland. His expertise is in Sports pedagogy, psychology and outdoor education.

He has over 20 years of experience in teaching outdoor adventure education in Finland and in Europe. In his work at Xamk with future youth workers and educators, he is using natural environments like forests, lakes and wilderness areas for educational purposes.

He has also been active in building up Finnish Outdoor Adventure Education Network as a member and chair of the organizing committee and working as a trainer and specialist in the Finnish Association for Swimming Instruction and Life Saving.

This Public Lecture is a public and free event with a maximum number of participants of 150.

For organisational reasons, binding registration is absolutely necessary till 30<sup>th</sup> November 2022:

# **Public Lecture:** **Outdoor and Adventure Education in Finland**

Thursday, 01<sup>st</sup> December 2022, 6 to 8 PM

Number of Participants: 150

Place: FH Campus Linz, Garnisonstraße 21, 4020 Linz

## **Content:**

Nordic countries have been referred as the “last wilderness of Europe”.

This presentation will open the cultural background of Outdoor Adventure Education in Finland, there will be a discussion about some specialities in Finnish nature surroundings and legislation that support experiential learning.

The Public Lecture will also introduce you to some organizations supporting outdoor education and training outdoor specialists in Finland.
