

Library Search Engine PRIMO: <https://search-fho.obvsg.at>

First of all: change the display language **here**.

The search in the basic setting **Search anything** covers all 4 campus libraries of the University of Applied Sciences Upper Austria / FH OÖ (Hagenberg, Linz, Steyr, Wels). <https://search-fho.obvsg.at>

Members of the FH OÖ can borrow media from all 4 libraries.

Advantages of **Anmelden/Sign In** with your FH OÖ account:

- **Full text access** to our licensed e-books, e-journals and database content
- **Make reservations** on borrowed media **yourself**
- Independently **extend loan periods for your borrowed media**
- **Set favorites:** Save individual titles or search queries for later

Which search options would you like to use, "Catalog" or "CatalogPlus"?

Catalog = out print media, licensed e-books and e-journals

CatalogPlus = print media, licensed e-books and e-journals **plus** full texts from our databases and freely available open access sources

Print stock, please note the **Additional location information** (= shelfmark) of the item so that you can find it on the shelf.
